

MyQuest™ Account Creation Instructions

To receive and view your DLO test results, you will need to create a MyQuest™ account. Follow the simple steps below to create your account.

1. Go to myquest.questdiagnostics.com and click the green **“Create Account”** button.
2. Create a unique username and password. To ensure accuracy, enter your password a second time and click the **“Next”** button.
3. Fill in your name, date of birth and sex, and click **“Next”**.
4. Type in your phone number, email and address and click **“Next”**.
5. Select two security questions and type in your answers and click **“Next”**. You may also review the Terms and Conditions on this page if you would like to review those details.
6. Click on the box next to **“I’m not a robot”** and click **“Next”**.
7. You have now created a MyQuest account. Click **“Return to Home”**.
8. You will receive your confirmation email at the email address you provided. Proceed to your email inbox to view your confirmation email and click the **“Account Confirmation Page”** link in the email to complete the next step.
9. When you click the link listed in your confirmation email, you will see the **“Congratulations”** message confirming your account.
10. You can now log in and use your MyQuest account to view your lab results.
